1. Terms and Requirements:
   Proof of funds/Bank Statement /Account requirement/Account must be on HSBC Internal Screen.

2. Transaction Procedures:
   1. Investor Agrees to this Procedure and Return and signs Consulting Fee Agreement and provides Company documents, Corporate Resolution (if a Corporation), A-size Color copy of signatory passport and Bank Statement.
   2. Asset Manager completes due diligence with the FED.
   3. In the morning, Investor takes Asset manager to the counter of HSBC to obtain a printed Bank Statement.
   4. The same morning Asset Manager and Investor sign Co-operation Agreement and other documents inside HSBC, Hong Kong. The same day afternoon, Asset Manager assists Investor with opening a Receiving Account.
   5. Transaction period is One Year pay Monthly. Profit is 100% per Month, shared as follows: China Bank Group 50%, Investor 40%, Program Manager 10%.
   6. Both parties sign the Co-operation Agreement, to confirm the smaller amounts from 500M upwards will be put together on traders side till it reach 5B USD/EUROS, so your investors must be prepared for a certain waiting period. profit sharing, and to protect the interest of all parties, so that the transaction can be completed. The terms and conditions of the Co-operation Agreement must be adhered to by both parties.
3. Profit Sharing:

1. The Co-operation Agreement profit sharing will prevail.
2. Sharing Formula is as follows, and profits will be wired directly to the accounts of all beneficiaries.
3. Sharing:
   I/ China Bank Group profit per Month: 50 %
   II/ Investor profit per Month: 40 %
   III/ Program Manager per Month 10%
   IV/ Asset Manager to assist beneficiaries with making payment on local taxes.

4. Investor agrees to pay 5% consultant fees to all parties concerned, as soon as the profits arriving at the account are allowed to move.
5. Under this transaction, Investor’s funds in the deposit account will not be moved, blocked, pledged, or depleted.

Instead of blocking one of the trading officers must be added with a second signature on clients account, with no right whatsoever to move the funds. At the end of the trading this signature will be withdrawn. There is no risk, or damage to the account. Investor agrees not to move the funds in the account during the transaction period on good faith, and is free to handle the account as he desires at the end of the transaction.
